AMALGAMATOR NO. 2

IN BLACK OR COLOR
TO MATCH YOUR EQUIPMENT
(Prices slightly higher for color)

The S.S.White Amalgamator No. 2 amalgamates alloy and mercury correctly in a few seconds; is convenient to use; is silent in operation; and does not vibrate or "walk." The rotating action of the capsule and the revolutions per minute (1550) were determined, after many laboratory tests, as producing the best possible qualities in finished amalgam restorations.

The motor used in the S.S.White Amalgamator is sealed in oil, needing no attention or service. The timer is accurate and electrically operated. Complete directions for use are provided, giving the ratio of alloy and mercury as well as amalgamating times.

The many thousands of satisfied users of the S.S.White Amalgamator No. 2 are its best recommendation.

too young for...

ORTHODONTICS?

Johnny, aged 8, may be too young for orthodontic treatment, but he is certainly old enough to benefit from the use of Space Maintainers. Today, preventative orthodontic service is recognized as essential. This service will also aid in developing the confidence and security in all of your future Dental Services to Johnny and his family. Our Laboratory has a special Space Maintainer Department, trained in the handling of Aderer Precious Metal Orthodontic Material, and it is available to you at surprisingly moderate cost. We would appreciate the opportunity of discussing this efficient service with you.

Py-co-pay . . . is the profession's "favorite toothbrush"

For very good reason, Py-co-pay is the outstanding first choice of the dental profession among toothbrushes. That reason is *superiority* . . .

In design—first in professional standards—small, narrow head 1" long; uniformly trimmed bristles; straight, rigid 6" handle.

In patient benefits—fits better in lingual areas, covers each brushing position thoroughly; patented "Duratized"* natural bristles last longer. Nylon and natural brushes are "Steratized"* to inhibit bacteria for the effective life of the brush.

PLUS THESE SPECIAL FEATURES

- Py-co-TIP—flexible rubber tip for interdental stimulation.
- Choice of bristle texture to meet every need —medium, hard and extra hard nylon; "Softex" multi-tufted nylon; hard natural. Junior brush in medium nylon.
- Widely distributed thru retail stores so that patients can easily follow their dentist's specific recommendations.
- Available to the profession at special low prices for patient instruction in oral hygiene.

Py-co-pay recommended by more dentists than any other toothbrush

IN ILLINOIS TOO . . . authorities agree!

Leading metallurgists, America's foremost dentists, dental schools and hospitals **agree** that Ticonium chrome-cobalt is unmatched in Exactness, Resiliency, Strength and Uniformity. Four reasons why more dentists internationally specify fine-grained Ticonium.

NEWS AND ANNOUNCEMENTS

A GOOD ANSWER TO SPECIAL DIRECTORY SOLICITATION

The letter reproduced below was written by a member of the Chicago Dental Society in response to a solicitation by a local directory—Buyer's Guide—to place his name and office address in the directory. Because this member has answered the solicitor not only properly but in a clear and literate way and because his letter demonstrates an understanding of the ethics involved that is not common (judged by the ever-recurring traffic in improper listings that engages the time of our Ethics Committee) we have reproduced the letter *sans* identification. We highly recommend it to our membership as a guide for answering this type of solicitation.

Dear Miss Doe:

This will acknowledge your letter of August 1 regarding the Buyer's Guide.

The principles of ethics of the dental profession do not allow the listing of dentists in public announcements unless the listing is available to all members of the profession in the community.

Please do not list my name in the directory. I believe, further, that it would not be appropriate for any of our local dentists to be listed unless they all are.

If your publication is intended to assist area residents in locating merchandise and services, it would more nearly fill its intended purpose if it listed all merchandisers, service companies, professional people, etc. If it is intended to foster business for some particular civic club members, it obviously is advertising and I am more sure that dentist members should not be listed. Such a restricted listing sets those dentists apart and leaves the impression that the services of club members somehow are better than those of dentists not listed. Obviously, this impression would not be warranted.

Sincerely,

(name not quoted)

ETHICS COMMITTEE FINDINGS WILL BE PUBLISHED

The Board of Directors of the Chicago Dental Society has approved the policy whereby a member found guilty of an infraction of the Code of Ethics shall have his name, the infraction and penalty imposed, published in the FORTNIGHTLY REVIEW ninety days after the finding of guilt.

CONGRATULATIONS TO S. S. WHITE

BEN SOLOMON'S SON WRITES WINNING PAPER

Kenwood member Ben Solomon's 21-year-old son Fredric has received the American Diabetes Association first prize of $250 in their recent nation-wide contest. The youth, youngest medical intern in the country according to the AMA, wrote a 5,000 word paper on his diabetes experiments with pregnant rats. It will rate publication in the Association journal, *Diabetes*—an honor usually restricted to the work of researchers and physicians with many years of experience.

NEWS OF THE BRANCHES

North Suburban

Summertime is still the time of vacations, golfing, and unorganized loafing, or so all my news would lead me to believe. One bit of official news not reported in my previous communique, that may be of interest to the Lake County men, is the new roster of officers of the Lake County Dental Society. Neal Nielson is president, Leo Janks is vice-president, and I, Ed Sherwood, have been honored with the duties of secretary-treasurer. . . . Loyola Dental Alumni will hold their annual golf outing Wednesday, September 10th, at Glendale Country Club. . . . There was an open invitation to North Suburban members to attend the Northwest Study Club's golf outing in July, which proved lucrative to our men who attended. Art Freeman, Axel Pedersen, Dick Fischl, and Doug Meinig, not only took advantage of the invite, but then walked off with most of the big prizes. Wonder if we'll be invited back again? . . . I haven't heard of any new dentists in the area, but I hear Frank Trangmar has sold his Highland Park home and moved permanently to Suttons Bay, Michigan. Some neophyte by the name of Johnston is trying to fill his professional shoes. . . . From the looks of vacation plans, at least among North Suburban members, it would appear that a summer meeting could be held north of here; Andy Furland took off for a week in July to idle in the Wisconsin Dells; John Studebaker tried out the bass fishing up in cool (if wet) Door County (for the benefit of the drudges, it's in Wisconsin); and Lee Boyd went even further to try out the angling in Minnesota. Al Wurth really vacationed in style; he traveled the air-ways to Hayward, Wisconsin, with his own private pilot; his son recently acquired his pilot's license. Gil Mackey extended his vacation into an auto tour of New England. . . . Back home again, a couple fellows seem more interested in trying to work harder. Con Medley moved into bigger quarters at his same address, the Waukegan Building. Also, Al Golding's office, in Mundelein, is being enlarged to give him more elbow room. . . . Chicago is host this year to the American Society of Oral Surgeons, which explains the short absence of O. K. Johnson from his office around the beginning of August. . . . R. E. West and Wm. Bell, of Skokie, have a different way of spending their free time these days. They have ventured into the restaurant game, with The Shore Line on Rte. 173 and the lake, north of Zion. I spent an evening there recently, and enjoyed a meal just like Mother always hoped to make. . . . Note to the diagnosticians; What is the prognosis for a patient who claims the upper teeth ache when she hits herself on top the head?—*Ed Sherwood, Assistant Branch Correspondent.*

West Side

With Labor Day terminating a wonderful summer, our officers are working hard on an interesting program for the coming year—let's make a real effort to attend and perk up our meetings. . . . Leo Cahill is probably back in the office after a two-week vacation during which he stopped off in Canada and Baltimore, among other places. . . . Andy Kelleher spent ten days in Canada. Among other activities, Andy fed grapes to the deer. The deer were so tame they came right up to his car to get the grapes. . . . Sad story to report on Chick Vission's yellow golf car. This familiar Nippersink attraction is no more. On the second hole, with Chick's wife driving, the fuel line broke and the leaking gasoline caught fire, turning the gas car into a burning holocaust. The heat was so intense that the grass underneath burned. Fortunately nobody

MEMBERS UNDER AGE 35 TO RECEIVE A DISABILITY PREMIUM REDUCTION

Our Insurance Committee advises that Standard Accident Insurance Company has agreed to reduce the cost of the disability insurance, for Society members who are under Age 35. The cost to members over 35 is not being changed.

On November 1, 1958 the lower premium will be reflected in the premium due notices of insured members under Age 35. This lower premium will continue until the first premium due date following a member's 35th birthday. At that time the regular plan premium will apply.

This lower premium is also available to our members under 35 who currently are not enrolled in the plan and we feel it advisable that they take advantage of this substantial premium reduction, which on an annual basis amounts to:

$34.00 on the $100.00 Weekly Income Policy
$25.50 on the $ 75.00 Weekly Income Policy
$17.00 on the $ 50.00 Weekly Income Policy

The Insurance Committee has continually felt that our younger members should receive the benefit of a lower premium during their early years in practice, mainly because they incur a number of financial obligations, have fewer disability claims and should not go without such insurance.

Further details regarding this will be sent to our under Age 35 members by Huntington & Homer, Inc., who handle the plan details.

HE HAS COMPLETE CONFIDENCE IN HIMSELF—AND IN YOU!

Now Jectron dentures with new Tissu-Blend are more beautiful than ever. Tissu-Blend is Jectron's name for color—not paint-on, surface color, but lifelike veins of natural beauty, pre-cured all through the famous Jectron polystyrene denture resin bar.

Jectron dentures with new Tissu-Blend give the patient the ultimate in fit, the ultimate in strength and stability, *and the ultimate in lifelike beauty.*

Small wonder that—when you specify Jectron with Tissu-Blend—you specify complete patient confidence in himself—and in you!

Now, without obligation, you can obtain on request the handy Jectron Shade Selector, containing samples of Regular Jectron, Jectron Tissu-Blend L (for patients with lighter complexions), and Jectron Tissu-Blend D (for patients with darker complexions). Ask your Jectron laboratory—

other dentists in exactly the same manner. One of the four subsequent victims had read the announcement in the REVIEW and two others had been told of it by members who had read it.

The man and his technique are as follows: He is of middle age with wavy gray hair and ruddy complexion, about 5′ 7″ in height. In some cases he has 'phoned for an appointment but in two cases he came in cold explaining that he was a stranger in town. He wears a full upper denture and is missing the four lower front teeth. He explains that he has lost his partial and is greatly in need of a replacement as soon as possible. He gets an estimate, agrees to the fee quoted and in most of the cases has determined to make a down payment of $70.00. He asks for a receipt but makes out his check for $90.00 and explains that, being a stranger, it is a little hard to cash a check so could the dentist let him have the $20.00 balance in cash. So far five dentists have given him the cash. One dentist reported the approach but said he sounded like a fraud to him and refused to give him the cash. The checks have all been fraudulent and the addresses given by the man have either proven non-existent or vacant.

If he comes into your office (a) don't give him any money and (b) report the incident to the Society immediately. You might also mention this man to your dentist friends that might not see this notice. Might save them some money.

Gary now has a lovely home in Oak Park and a summer home in Des Plaines. To fill these two homes he has four children and a wonderful wife and (scoop) a fifth on the way. Tovstein is reported to be in a new and very swanky office at the same address. . . . "Little" Larry Lucas is off to hibernation at his little red shack in the Dunes. . . . Two other of my "Under-the-table Agents" roused themselves slightly from their summer siestas to pass along the following: OpEX-2 reported that, since Harold O'Connell is finally situated in his new summer home on Powers Lake, Wisconsin, he isn't seen in these parts very much anymore. . . . North Side

Things must really be tough when I. H. Shapiro, our erstwhile branch correspondent, calls on me to write this column. After neatly arranging a list of assistants and assigning dates I. H. promptly took off for a New York vacation to visit his brother and inspect the sculptured piece he sent as a house-warming gift. . . . Chester Stanley and family covered 13,000 miles in two months. Traveled through Mexico, the western states, and Canada. They could have gone around the world in 20 more days. . . . Bruce Stocking went to the other extreme by sitting on his back-porch, sipping gin and tonic. . . . The boys in the Uptown Bank Building are cussing the changeover to automation. It seems that the erratic automatic elevator service is delaying their noon-time game of pitch. . . . Ran into Hewett Williams, Kenneth Repine, Oliver Hatcher, Herbert Boman, and Van Carmichael at their favorite haunt. Van just returned from a Colorado vacation—no fish but a heck of a rash. . . . Speaking of fish, Earl Elman caught a good size sailfish while down in Mexico, but resisted the temptation of having it mounted. He has pictures to substantiate his claim to the avid Isaac Waltons. . . . John Bodine has a novel way of taking a vacation—works only four days a week during the summer months. . . . Add another future dental assistant to the list—Linda Sue has joined the Paul Dolins. Born at the stroke of midnight, she weighed in at 7 pounds 12½ ozs. . . . What do California dentists have over us mid-westerners? They gross over $5,000 a year more than us. Maybe they have the illegal laboratory situation under control or a good public relations program. Henry Parkin brought this piece of information out during his talk before the Uptown Dental Forum. . . . Lee Jacobi recently sold his apartment on Lake Shore Drive. He just got tired of living in a glass house, watching the sailboats and all the pretty girls go by. Now he's looking for a house—crazy man. . . . Irwin Hirschenbein is really sold on suburban prac-

tice. Just opened a new office in Palatine, Illinois. Good luck, Ol' boy. . . . Now that summer is fast drawing to a close, our program committee under the capable guidance of Max Chubin and Irving Shaewitz and the workshop boys, Howey Adilman and I. H. Shapiro, are working hard to shape up a tremendous series of programs for the coming year. Call Sol Burnell now for your season dinner tickets. Last year the Edgewater Beach did themselves proud on the meals they served. . . . Dave Raynes just reported his return from a trip to New York where he stayed at the fabulous Coccord Hotel —gained 8 pounds. How do these guys do it? I can sit down and eat 5 pounds of food and then weigh myself immediately afterward and show only a 2½ pound gain. Bromo-seltzer anyone? . . . Harry Springer and Roy Miller had a nice vacation at the expense of Uncle Sam. Both made their two-week training program without incident. The boys around Wilson avenue haven't much in the way of news. Allan Rubin is getting as brown as a berry playing golf. Basil Cupis is planning another trip to Europe. Saw Herb Gordon the other morning looking sad because he had to face reality and return to work after living like a playboy for a couple of weeks.—*Stanley S. Northwest Side

The Upjohn trip to Kalamazoo, Michigan was a huge success. However, many felt it was handicapped by the large attendance. The organizers of the trip feel that in the future the number should be limited to no more than 75. It seems as though any number beyond this does not allow those attending to receive the full benefits of the excellent accommodations planned for them. . . . Alf Altern and Chet Weclew delivered wonderful and appropriate talks, limiting their oratory to a few well-chosen words. . . . Jim Mershimer, one of the originators of the trip, ended up in a pretty sad-looking room on the first night of the stay. However, with a voice of thunder he told the manager of the hotel his troubles, and good old Jim wound up in the Presidential Suite for the rest of the trip. . . . Max and Mrs. Ungar were voted the handsomest couple along, and it is brought to my attention that Max has a perfect dentition, with his wife running a close second. . . . Research and Development was considered the most interesting part of the tour because of the wonderful facilities that were displayed and the animal experimental work that is being done in that department. . . . Jim Mershimer, the chairman on Dental Health and Education, acted as a judge for the Back-of-the-Yards Council's "Perfect Mouth" contest. Contestants were pre-judged by dentists in the area to limit the number of finalists. . . . Will DeCook, I understand, is going abroad to tour Europe in the near future. . . . A sad note in the column now, for Lee Schwartz spent ten days in bed with his leg elevated because of a developing blood clot. —*J. Griseto, Branch Correspondent.*
